One shingle sets the standard for affordable beauty

Royal Sovereign®, America's #1-selling 3-tab shingle, has set the standard for classic, timeless beauty — at a price you can afford — for more than 50 years.

In addition to providing excellent protection for your home and those who live in it, each shingle is made with an advanced color-sequencing technology, creating a rich and vivid design.

It's a system, built to protect

A roof is so much more than shingles. It's layers of protection, working together to help keep your home safe from wind, rain, snow, and even sun.

For even stronger coverage, ask your GAF factory-certified contractor¹ about enhanced GAF warranties.
